Abstract

This third in a series of such catalogs lists 352 items pertaining to foreign language instruction that were accessioned by all Educational Resources Information Center (ERIC) clearinghouses from October 1968 through April 1969. Entries are organized alphabetically, and a 12-category user index assists in pinpointing items relevant to particular interests. Also supplied are prices for microfiche or hard copy reproductions, ERIC document numbers, and abstract availability information. For related documents see ED 026 924 and ED 029 538. (WB)

ERIC Documents on the Teaching of Foreign Languages: List Number 3

Andrea S. Mildenberger and Carol Wood

This is the third in a series of catalogues of those documents related to the teaching of foreign languages which may be obtained in microfiche or hard copy from the ERIC (Educational Resources Information Center) Document Reproduction Service. The list was compiled by means of a close search of computer-generated catalogues of comprehensive ERIC accessions which have been fully processed into the system by the U.S. Office of Education, the MLA/ERIC and CAL/ERIC Clearinghouses, and other ERIC Clearinghouses from October 1968 through April 1969. Attention is called to the fact that a significant number of ERIC documents having *primary* interest in other fields (e.g., psychology, administration, linguistics, etc.) also have some relevance to foreign language teaching but are not included here.

This is not a classified bibliography; entries have been listed only in alphabetical order. *However, a USER INDEX is provided below which will help the reader identify documents on twelve special topics.* (Since all documents accessioned into the ERIC system are subjected to a coordinate indexing procedure and in each case bibliographical information, abstract, and indexing terms are stored on magnetic tape, eventually computer-generated bibliographies on special topics will be a reality.)

Purchase data for each document appears in brackets. "MF" means *microfiche;* "HC" means *hard copy*. For instructions on purchasing ERIC documents, see the page entitled "About ERIC."

The number of pages is given for separate reports, curriculum guides, surveys, etc., but not for ERIC documents which appeared originally in professional journals or newsletters. To compute the number of pages in the latter items, divide the hard copy (HC) price by 5 and subtract 2 (e.g., HC price of $0.45 means the article consists of seven pages).

HOW TO LOCATE AN ABSTRACT

The concluding information [after the purchase data in brackets] refers the reader to the place where he can examine an abstract of any document [e.g., *RIE* (Jan 1969) 56; *FLA* (Mar 1969) 355]:

RIE Research in Education, November 1966—. *RIE* is a monthly abstract catalogue of reports, studies, articles, etc., which have been processed into the ERIC system since 1966. Order from Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402 (subscription per year: domestic, $21.00; foreign, $26.25; single issue, $1.75). References to *RIE* give month and year of issue and page number.

FLA Foreign Language Annals, October 1967—. *FLA* is the quarterly journal of the American Council on the Teaching of Foreign Languages, 62 Fifth Ave., New York, N.Y. 10011 (subscription per year: individual, $4.00; foreign, $4.50; libraries, $8.00; single issue, $2.00). Each issue carries a department contributed by the ERIC Clearinghouse on the Teaching of Foreign Languages which includes *selected* recent abstracts from *RIE*. References to *FLA* give month and year of issue and page number.

The first catalogue in this series, List Number 1, *appeared in the December 1968 issue of Foreign Language Annals.* List Number 2 *appeared in the March 1969 issue. Supplements will appear each year in the March and October issues.*

USER INDEX

Documents relevant to each of twelve subjects are identified below by the *bibliography citation number*. For two broad subjects, TEACHING TECHNIQUES and BILINGUALISM, the choice of documents has been selective, but the discerning reader will find other relevant items in *List Number 3*. Occasionally a document is identified under more than one subject. The twelve topics were chosen because they reflect the bulk of inquiries that have been received at the MLA/ERIC Clearinghouse on the Teaching of Foreign Languages.

About ERIC—The Educational Resources Information Center

ERIC is a nationwide information system designed to serve and advance American education. Its basic objective is to provide information on significant current documents (reports, articles, monographs, speeches, books, etc.) and to indicate the ready availability of such documents, either through normal publication channels or through the ERIC DOCUMENT REPRODUCTION SERVICE (EDRS). The ERIC system is sponsored by the United States Office of Education. *Central ERIC* is the term given to the function of the Office of Education in providing policy, coordination, training, and general services to the ERIC system. *ERIC Clearinghouses*, each focused on a separate subject-matter area, are established by Central ERIC to acquire, evaluate, abstract, and index documents, process them into the ERIC system, and publicize them to interested educational clientele. At present 19 ERIC Clearinghouses have been authorized, each focused on a separate subject-matter area.

Foreign Language Teaching and ERIC. The Modern Language Association of America conducts the ERIC Clearinghouse on the Teaching of Foreign Languages (62 Fifth Avenue, New York, N. Y. 10011) which processes documents into the ERIC system dealing with the teaching of the commonly taught languages—French, German, Italian, Russian, Spanish—and the classical languages, Latin and Ancient Greek. The Center for Applied Linguistics conducts an ERIC Clearinghouse on Linguistics and the Uncommonly Taught Languages (1717 Massachusetts Avenue, N.W., Washington, D. C. 20036) which processes documents into the ERIC system dealing with all other foreign languages, including English for speakers of other languages and linguistic research.

Foreign Language Annals and ERIC. FLA, the official journal of the American Council on the Teaching of Foreign Languages, in its section ERIC CLEARINGHOUSE ON THE TEACHING OF FOREIGN LANGUAGES, provides a regular review of ERIC related developments in foreign language teaching for teachers, administrators, researchers, public officials, commercial and industrial organizations, and the public.

Obtaining ERIC Documents. The principal objective of ERIC is to call attention to significant current documents and provide information for acquiring copies. Entries for ERIC documents in the *ACTFL Annual Bibliography* will be accompanied by notations indicating prices and order numbers. Some *Annual Bibliography* entries (and all *Selected Recent ERIC FL Accessions*) are obtainable from the ERIC DOCUMENT REPRODUCTION SERVICE (EDRS), National Cash Register Co., 4936 Fairmont Ave., Bethesda, Maryland 20014. For example, "EDRS Price MF-$0.50 HC-$3.50" indicates that the relevant document may be obtained from EDRS in microfiche (MF) for 50 cents, or for $3.50 in printed out hard copy (HC). A microfiche is a sheet of 4″×6″ film containing microimages of the pages of the document—as many as sixty pages of document per fiche—and costs just 25 cents from EDRS. In order to read microfiche one must have access to a microfiche reader. "Hard copy" prints consist of black and white 6″×8″ pages, bound in soft covers and available at 5 cents per page. Payment to EDRS must accompany orders totalling less than $5. Add a special handling charge of 50 cents to all orders. Add your applicable local state sales tax or submit tax exemption certificate. Orders from EDRS *must* designate documents by the code number appearing at the end of the citation (e.g., ED 010 232).

Monthly Report Resumes. The basic source of information about all current accessions into the ERIC system is RESEARCH IN EDUCATION, a monthly catalogue which presents bibliographical information, abstracts, and EDRS prices. Yearly subscription is: domestic, $21.00; foreign, $26.25. Check or money order should be sent to U.S. Government Printing Office, Washington, D.C. 20402.
